Validations

username/email and password should not be blank

 Username/Email and Password is required

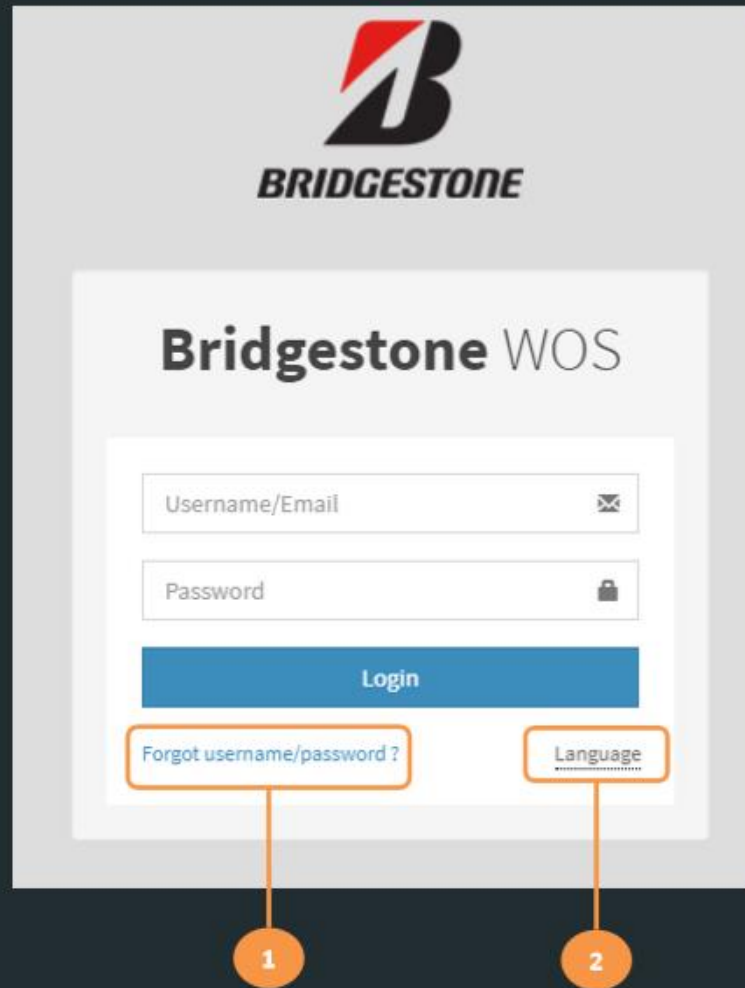

username/email and password should be correct and valid

 Invalid email or password

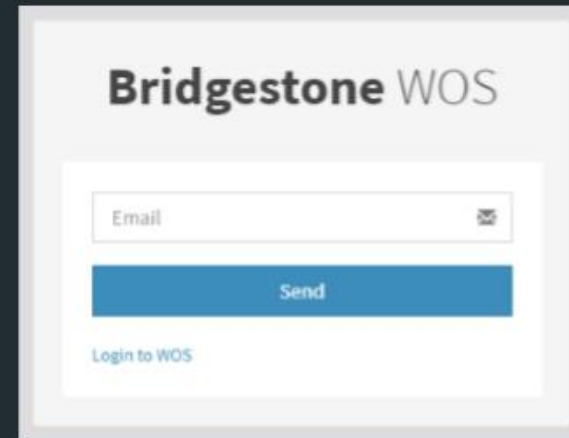

The image shows a screenshot of the Bridgestone WOS login interface. At the top is the Bridgestone logo. Below it, the text 'Bridgestone WOS' is displayed. The login form consists of two input fields: 'Username/Email' with an envelope icon and 'Password' with a lock icon. Below these fields is a blue 'Login' button. At the bottom of the form, there are links for 'Forgot username/password?' and 'Language'. Two orange callout boxes with numbers 1 and 2 are present. Callout 1 points to the 'Username/Email' and 'Password' input fields. Callout 2 points to the 'Login' button.

FORGOT USERNAME/PASSWORD AND LANGUAGE

The image shows the Bridgestone WOS login page. At the top is the Bridgestone logo. Below it, the text "Bridgestone WOS" is displayed. The login form contains two input fields: "Username/Email" and "Password", each with a corresponding icon (envelope and lock). Below these fields is a blue "Login" button. At the bottom of the form, there are two links: "Forgot username/password?" and "Language". Two orange circles with numbers "1" and "2" are placed below the form, with lines pointing to the "Forgot username/password?" and "Language" links respectively.

1. Click **forgot username/password** to show forgot username/password section

The image shows the "Bridgestone WOS" forgot password form. It features a single input field labeled "Email" with an envelope icon. Below the input field is a blue "Send" button. At the bottom of the form, there is a link that says "Login to WOS".

- Enter valid email address
 - Click **Send** button
 - Check your email
2. Click **Language** to change language

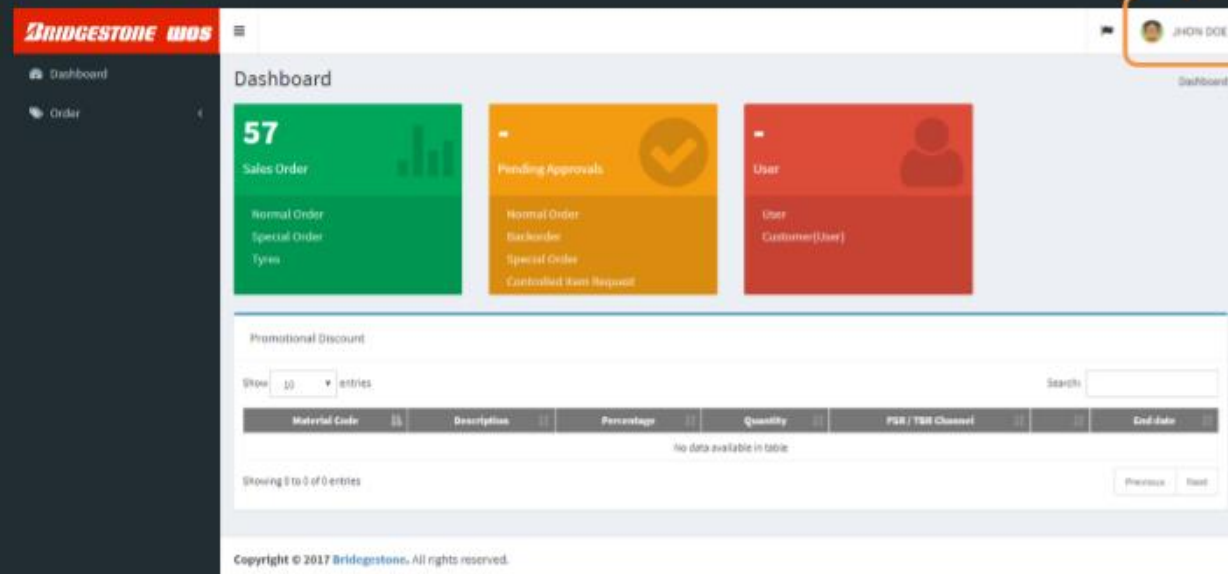

The image shows a language selection dropdown menu. It has two options: "English" and "Chinese". The "English" option is currently selected and highlighted in blue. Below the dropdown, the word "Language" is displayed.

UPDATE ACCOUNT

The image shows a 'Update account' dialog box with a title bar containing a pencil icon and a close button. The dialog contains three text input fields labeled 'First name:', 'Middle name:', and 'Last name:'. The first name is 'TONY', the middle name is 'DEALER', and the last name is 'STARK'. An orange rounded rectangle highlights these three input fields, with a line connecting it to an orange circle containing the number '1'. At the bottom right of the dialog are two buttons: a grey 'Cancel' button with a close icon and a green 'Update' button with a checkmark icon. The 'Cancel' button is highlighted with an orange rounded rectangle and connected to an orange circle containing the number '3'. The 'Update' button is highlighted with an orange rounded rectangle and connected to an orange circle containing the number '2'.

1. Enter First name, Middle name and Last name (All required)
1. Click **Update** button to update account
2. Click **Cancel** button to close dialog box

2 UPDATE CREDENTIAL (USERNAME ONLY)

The screenshot shows a dialog box titled "Update credential" with a close button (X) in the top right corner. Inside the dialog, there are two input fields: "Username :" and "Email :". Both fields contain the text "patrickcaringalreal@gmail.com". A checkbox labeled "Change password" is located below the email field. At the bottom right of the dialog, there are two buttons: "Cancel" (with an X icon) and "Update" (with a checkmark icon). Three orange callout boxes with numbers are present: callout 1 points to the Username field, callout 2 points to the Update button, and callout 3 points to the Cancel button.

1. Enter Username (required)
2. Click **Update** button to update credential
3. Click **Cancel** button to close dialog box

2 UPDATE CREDENTIAL (USERNAME AND PASSWORD)

The screenshot shows a 'Update credential' dialog box with the following fields and controls:

- Username :** A text input field containing 'patrickcaringalreal@gmail.com'. It is highlighted by an orange box and labeled with a callout '1'.
- Email :** A text input field containing 'patrickcaringalreal@gmail.com'. It is highlighted by an orange box and labeled with a callout '1'.
- Change password :** A checkbox that is checked. It is highlighted by an orange box and labeled with a callout '2'.
- Old password :** A text input field containing 'old password'. It is highlighted by an orange box and labeled with a callout '3'.
- New password :** A text input field containing 'new password'. It is highlighted by an orange box and labeled with a callout '3'.
- Confirm password :** A text input field containing 'retype new password'. It is highlighted by an orange box and labeled with a callout '3'.
- Buttons:** At the bottom right, there are two buttons: 'Cancel' (with an 'X' icon) and 'Update' (with a checkmark icon). The 'Cancel' button is highlighted by an orange box and labeled with a callout '5'. The 'Update' button is highlighted by an orange box and labeled with a callout '4'.

1. Enter Username (required)
2. Check **Change password** checkbox to show password section
3. Enter Old password, New password and Retype new password (All required)
4. Click **Update** button to update credential
5. Click **Cancel** button to close dialog box
